SWE/TBP Career Fair 2014

Monday, September 22

Tuesday, September 23

10am-4pm

SWE/TBP Career Fair
Find.Your.Calling.

Welcome

On behalf of SWE and TBP we would like to welcome you to the 30th annual Fall Engineering Career Fair! At the fair this year we expect over 300 companies, and over 3000 students in attendance. As the directors of the fair, we are honored to organize an event that provides so many amazing opportunities for students in the College of Engineering.

SWE and TBP organize hundreds of events throughout the year including professional development seminars, Corporate Information Sessions, volunteer opportunities, and academic development.

For more information about SWE and TBP, feel free to visit our websites at swe.engin.umich.edu and tbp.engin.umich.edu, respectively.

We wish you the best of luck in your job search, and forever GO BLUE!

Sincerely,

Lauren Bilbo

Message from Corporate Sponsor Ford

Dear University of Michigan Engineering Students:

On behalf of our partnership with the Society of Women Engineers and Tau Beta Pi, Ford Motor Company is pleased to welcome you to the 2014 SWE/TBP Engineering Career Fair!

Full-time: As part of the 32-month Ford College Graduate (FCG) rotational, developmental program you will be provided with the structure (orientation, training opportunities, experiences and feedback) to enhance your technical and professional competencies. Our goal is to support you and your transition into the high performing, inclusive and engaged workforce needed to meet the needs of tomorrow.

To begin your program, you are assigned a "home" organization based on your interests, background and our business needs. You will be assigned a mentor, a member of management within your area, to advise and guide you through a core set of developmental assignments related to your home organization. These assignments are structured to develop your skills and help to build your understanding of your home organization and the product creation process. Your development will be further supported by a number of technical and professional training opportunities. Once you complete the program, you will be placed within your home organization to continue building your engineering career and developing technical expertise.

Summer Internship: Our goal is to support you and your transition into the high performing, inclusive and engaged workforce needed to meet the needs of tomorrow. As part of the summer intern program you will be provided with hands-on experience that will develop you technically and professionally. Over the course of 12-weeks, the summer intern program also lets you build a network of friends and contacts, have fun, learn valuable skills and see what Ford Motor Company is all about!

We will have recruiting representatives at the 2014 SWE/TBP Engineering Career fair for the following areas:

- Information Technology
- Livio Connect
- Material Planning & Logistics
- New Model Programs
- Powertrain Manufacturing Engrg
- Product Development
- Program Management
- Research & Advanced Engrg
- Sustainability, Environmental and Safety Engineering
- Vehicle Operations Manufacturing Engineering

All applicants to Ford Motor Co. are required to apply online at www.careers.ford.com if they want their application and resume to be reviewed and considered for an interview. Candidates for positions with Ford Motor Company must be legally authorized to work in the United States. Verification of employment eligibility will be required at the time of hire. Visa sponsorship is not available for these positions.

ONE TEAM -- ONE PLAN -- ONE GOAL

Ford Motor Company is about more than just making world class vehicles - at Ford we Go Further to meet the needs of our customers, the challenges of our industry and the issues confronting our world. In order to do that, we are looking to attract the top talent - like you! Ford is a place where development is valued for all, and employees are encouraged to learn, build skills and continuously improve year-after-year. When you work at Ford, you and your team will Go Further each day to deliver great products, build a strong business and contribute to a better world. The distance between you and an amazing career has never been shorter! We look forward to seeing you at the 2014 SWE/TBP Engineering Career Fair!

Sincerely,

The University of Michigan Ford Recruiting Team

Career Fair 2014

Message from Corporate Sponsor Shell Oil Company

Dear University of Michigan Engineering students:

At Shell, we're developing all kinds of ideas to help meet the growing demand for energy. We're looking for ambitious, capable, and diverse engineering students like you to help us do more and make an impact in today's society. That's why we continue to recruit from the University of Michigan and are proud sponsors of the 2014 SWE/TBP Engineering Career Fair!

Shell is a global group of energy and petrochemicals companies. With approximately 92,000 employees in over 70 countries, our aim is to help meet the world's growing demand for energy in economically, environmentally and socially responsible ways. We are looking for remarkable students and graduates to join our team.

In the US, we operate in 50 states and employ about 22,000 people. We are a leading oil and gas producer in the deepwater Gulf of Mexico, a recognized pioneer in oil and gas exploration and production technology, and one of America's leading oil and natural gas producers, gasoline and natural gas marketers and petrochemical manufacturers.

For recent graduates, our Shell Graduate Program is a framework that will help you make the most of your potential, personally and professionally. You will build skills through hands-on roles, challenging assignments, and continuous performance feedback. If you are looking for an internship, our Assessed Internship Program will enable you to work alongside professionals on real projects and gain first-hand experience of what it's like to work with a global company.

Shell Oil does not accept physical resumes at any career fairs or campus events. It is required for all students and candidates to apply online at www.shell.us/students if they want their application and resume to be reviewed/considered for an interview. All new applicants must first apply online and register as a "New Applicant." Then, you will receive an email invitation asking you to complete two online assessments. If you would like to be considered for an interview this fall, please submit your application before September 30th.

Application Requirements:

- You must have a minimum Cumulative GPA (CGPA) of 3.20 in all degree programs.
- You must have authorization to work in the U.S. on a full-time basis, unless pursuing a PhD.
- Candidate is required to attach current résumé and unofficial transcripts to online application.

If you want to join a company at the cutting-edge of innovation and work with a team of trusted and supportive colleagues, apply online at www.shell.us/students and stop by the Shell booth at the Engineering Career Fair to speak with a Shell business representative.

We are looking forward to receiving your application!

Sincerely,

The University of Michigan Shell Recruitment Team
