SWE/TBP Career Fair 2013

Monday, September 23
Tuesday, September 24
10am-4pm

**KEEP
CALM
AND
SUIT UP**

Welcome

Participants of the 2013 Society of Women Engineers and Tau Beta Pi Career Fair,

We would like to extend a warm welcome to all the corporate representatives and University of Michigan students attending the 29th Annual SWE/TBP Career Fair. We are pleased to provide this opportunity to bring companies and students together.

SWE and TBP sponsor many corporate networking events throughout the year. These events provide students with the opportunity to interact with industry representatives through presentations at meetings, banquets, Corporate Information Sessions, corporate luncheons, Professional Development Days, and other college-wide functions.

SWE and TBP are also heavily involved in the community. For more information on SWE and TBP's outreach and volunteering efforts, check out their websites: swe.engin.umich.edu and migamma.org, respectively.

Thank you for participating in this year's Career Fair! Good Luck!

Sincerely,

Mike Boyd

Message from Corporate Sponsor Dow Chemical

Hello Michigan Engineering Students!

Dow Chemical is proud to be a sponsor of the corporate directory for the 2013 SWE / TBP Engineering Career Fair. University of Michigan engineering students are the "leaders and best" and every year we look forward to participating in Career Fair events on campus, offering young engineers new opportunities, and helping you make a difference.

Dow combines the power of science and technology to passionately innovate what is essential to human progress. The Company connects chemistry and innovation with the principles of sustainability to help address many of the world's most challenging problems such as the need for clean water, increasing agricultural productivity, renewable energy generation and conservation. Dow's diversified industry leading portfolio of specialty chemical, advanced materials, agrosiences and plastics businesses delivers a broad range of technology-based products and solutions to customers across the globe and in high growth sectors such as electronics, water, energy, coatings and agriculture. In 2012, Dow had annual sales of \$57 billion and employed approximately 54,000 people worldwide. The Company's more than 5,000 products are manufactured at 188 sites in 36 countries.

We believe the diversity our people bring to the workplace is our strength. We value differing experiences, backgrounds and perspectives and foster an inclusive workplace. We are looking for people who will take risks, explore new ideas, collaborate and lead courageously - people who want to make a difference!

Please visit us at Career Fair on Monday, September 23rd and talk to our recruiters (Dow will be present on Monday only). We are recruiting for co-op, intern, and full-time positions for most engineering disciplines. We look forward to talking to you about the many exciting opportunities available within Dow. You can find more information about our industries and opportunities at Dow by visiting us on the web at www.Dow.com. We look forward to seeing you!

Sincerely,

The Dow Chemical Company University of Michigan Recruiting Team

Career Fair 2013

Message from Corporate Sponsor Shell Oil Company

Dear University of Michigan Engineering students:

At Shell, we're developing all kinds of ideas to help meet the growing demand for energy. We're looking for ambitious, capable, and diverse engineering students like you to help us do more and make an impact in today's society. That's why we continue to recruit from the University of Michigan and are proud sponsors of the 2013 SWE/TBP Engineering Career Fair!

Shell is a global group of energy and petrochemical companies, employing approximately 87,000 people and operating in more than 70 countries and territories. In the United States, Shell has operations in 50 states and employs about 20,000 people. Shell is a leading oil and gas producer in the deepwater Gulf of Mexico, a recognized pioneer in oil and gas exploration and production technology and one of America's leading oil and natural gas producers, gasoline and natural gas marketers and petrochemical manufacturers.

As an employer, did you know that Shell ranks 14th on the "Top 100 Ideal Employer" and has been recently named by Glassdoor as "Top 25 Companies for Work-Life Balance 2013" and "Top 50 Best Places to Work in 2013?" One of the reasons for these recognitions can be attributed to our world-class Shell Graduate Program and Assessed Internship Program.

For recent graduates, our Shell Graduate Program is a framework that will help you make the most of your potential, personally and professionally. You will build skills through hands-on roles, challenging assignments, and continuous performance feedback. If you are looking for an internship, our Assessed Internship Program will enable you to work alongside professionals on real projects and gain first-hand experience of what it's like to work with a global company.

We are also pleased to announce that this year we have refreshed our recruitment and application processes! In order to be considered for an interview, all new applicants must first apply online at www.shell.us/careers and register as a "New Applicant." Then, you will receive an e-mail invitation asking you to complete two online assessments. If you want to be considered for an interview this Fall, please submit your application before September 30, 2013.

If you want to join a company at the cutting-edge of innovation and work with a team of trusted and supportive colleagues, apply online at www.shell.us/careers and stop by the Shell booth at the Engineering Career Fair to speak with a Shell business representative.

We are looking forward to receiving your application!

Sincerely,

The University of Michigan Shell Recruitment Team

Message from Corporate Sponsor Yahoo

Hey UM Engineering Students!

As a proud sponsor of the 2013 SWE/TBP Engineering Career Fair, Yahoo is excited to kick off our 2014 New College Grad and Intern hiring. Our students will help make the world's daily habits inspiring and entertaining, by creating highly personalized experiences. Imagine building products that affect the daily lives of over 700 million unique users and drive a connection for advertisers with audiences that build their businesses.

At Yahoo we are passionate about university talent and believe it will lead the way for innovation. As a company founded at a university and a CEO like Marissa Mayer, we understand the value students bring. You are innovative, inspiring, energetic and vibrant and Yahoo is an environment where those characteristics thrive.

We are looking for passionate students ready to take on some of the largest technical problems across several platforms, on multiple devices, in 25 countries and 30 languages. Whether you are interested in Sports, Mail, Mobile, Messenger, Big Data, Localization, Search, Labs or our Homepage we have endless opportunities for students of many backgrounds. Most of our teams are agile and aggressive. They set big goals and have high expectations, producing award-winning products and services for our users. If you like to work hard and play hard it is time for you to consider building your career at Yahoo.

If you are ready to inspire the world with your technical talent come talk with us about your dream job. We can wait to meet you and tell you all about our purple Yahoo pride!

See you there!
Yahoo Recruiting Team

Thank You!

The directors of the 2013 Society of Women Engineers and Tau Beta Pi Career Fair would like to thank the following individuals and companies for their contribution and continued support in organizing this successful event:

College of Engineering Administration and Staff

David C. Munson, Jr.	Robert J. Vlasic Dean of Engineering
Brian D. Noble	Associate Dean for Undergraduate Education
Alec D. Gallimore	Associate Dean for Research and Graduate Education
S. Jack Hu	Associate Dean for Academic Affairs
Thomas H. Zurbuchen	Associate Dean for Entrepreneurial Programs
Jeanne Murabito	Executive Director for Student Affairs
Deborah Mero	Executive Director of Resource Planning and Management
Jennifer Wegner	Assistant Director of Student Affairs

College of Engineering Career Resource Center

Kerri Boivin	Director
Janice Laughlin	Senior Administrative Assistant
Lindsey Bander	Student Administration Assistant

Facilities Coordination

Louis Cruzen	College of Engineering
Paul Ivacko	College of Engineering
Darlene Jones	Parking Events
Paula Pernia	EECS Building
Brian Rice	BBB Building
Lori Castle	Duderstadt Center
Glenda Radine	Duderstadt Center
Kathi Reister	Duderstadt Center
Mark Scott	Duderstadt Center
Cindy Anderson	Duderstadt Center
Merry Meyer	Pierpont Commons
Michael Swanigan	Pierpont Commons
Ilene Sullivan-Ulrich	Facilities and Operations
Ann Zalucki	Facilities and Operations

Corporate Sponsors

3M Company	Microsoft
Apple	NAVSEA
Bechtel Corporation	Palantir Technologies
BP America Inc.	Pure Michigan Talent Connect/Michigan Economic Development Corporation
Broadcom	Schlumberger
Chrysler Group LLC	Shell Oil Company
Cisco Systems	The Boeing Company
Cognizant Technology Solutions	Twitter
Dow Chemical	Unilever
Eli Lilly and Company	Union Pacific Railroad
ExxonMobil	Wolverine Trading LLC
Facebook	WorkForce Software
General Electric	Yahoo!
General Mills	
Intel Corporation
